## TRUE STYLE...

... For that personal touch.

The already stylish Corsa stands out in a crowd – but by fitting accessories from the VAUXHALL i LINE product range you will really be noticed.

The front of the Corsa can be enhanced by adding the Front Spoiler. With the fitting of a radiator grille with an insert in the design of a honeycomb – the vehicle appears to be wider. It is now also possible to fit a panel complete with fog lamps to add additional safety.

*Panel with integrated fog lamps i 12 01 060 (from M.y. '97,5), side sill set i 12 01 302.*

*Lower front spoiler i 12 01 008 (from M.y. '97,5), fog lamp kit with brackets i 12 12 033.*

*Roof spoiler with integrated third brake light red i 12 01 402, side sill set i 12 01 302, rear silencer i 12 08 001 and Twin Spoke Exclusive design alloy wheels.*

*Choose between: side repeater lamps i 12 12 040 in white...*

The roof spoiler with integrated 3rd. brakelight – in red or white – adds safety and style.

As an addition, you can emphasise the appearance of your Corsa with either white or tinted side repeater lamps.

*... or tinted side repeater lamps i 12 12 041.*

VAUXHALL  LINE

## ... For that personal freedom.

Accessories from the VAUXHALL i LINE product range are created using innovative design and technology.

The accessories for the exterior are produced in such a way that they can be used on their own or in combination with one another.

With the front spoiler, side sills and wheel arch extensions all colour coded – the unique looks of the vehicle are enhanced dramatically. When matched with the rear wheel covers – the Corsa is complete.

**ISO 9001:  
FOR YOUR  
SAFETY**

To guarantee the high demands on product quality and workmanship, the Irmischer group applies a sophisticated quality management system whose efficiency was confirmed with the ratification of the ISO 9001 certificate by DEKRA.

VAUXHALL  LINE

... For that personal comfort.

High grade light alloy wheels in the elegant Softstar design or the stylish Twin Spoke design are available in the dimensions 5 x 13 to 6 x 15. The recent addition to the range is the Twin Spoke Exclusive which is available in the dimension 6 x 14. These are not only eye catching – but when used in combination with the VAUXHALL i LINE suspension kits they ensure optimum road-holding and therefore additional safety.

All light alloy wheels and suspension kits are tested vigorously to ensure high standards are maintained.

A VAUXHALL i LINE suspension package is fine tuned to ensure handling with maximum response, improved cornering, acceleration and overall road holding. Therefore adding to the driving pleasure of the Corsa.

Top quality light alloy wheels in Softstar design.

Approved quality: A VAUXHALL i LINE suspension kit helps to improve the road holding and adds to the driving pleasure of the Corsa.
