

All PRICES INCLUDE V.A.T

STYLING

Morette Twin headlight kits are the very best available, ready to fit, and come fully assembled. Formed in high quality black ABS for easy colour coding. Spray service available at extra cost please call for quote. Some applications have load correctors (L/C). To find out if your car has load correctors it will have a switch on the dash, which controls the in-built motors that moves your headlamp beam up and down.
